Important Issues in Kane County Board District 19:

1. Repeal the Kane County Gas Tax. Illinoisans already pay some of the highest taxes at the pump (82 cents per gallon).
2. Freeze county property taxes and defeat the Kane County Democrats plan to increase property taxes over the next five years.
3. Stop the Kane County Democrats plan to increase the sales tax which will continue to penalize working families buying essential items.
4. Create two sales tax holidays to encourage business growth and help families save money when making larger purchases.
5. Improve the infrastructure on Randall and Tyrrell Roads. Work with the Sheriff's Office to lower the instances of street racing on Tyrrell Road.
